Before The Hangmans Noose

DevilDriver

It's a good day to fuckin' die A good day....A fuckin good day
Truth be told the water looks cold And the trees fly by as we drive The sun goes down Sometimes i want to stay Sometimes i want to leave Sometimes i gotta ride Riding this rail I know what i'm on But not now what i'm in for This train to somewhere seems to never end As far as i can tell.....Hell
Before all hell breaks loose Before the hangman's noose And as the sun goes down I'll say It's a good day to die, a good day to die
Before the hangman's noose I'll say It's a good day to die a good day to die
No more stops, time to punch your ticket This time this ride is one way I can see a shadow of a man And man it's coming my way Riding this rail, I know what i'm on But not now what i'm in for This train to nowhere seems to never end As far as i can tell.....Hell
Before all hell breaks loose Before the hangman's noose And as the sun goes down I'll say It's a good day to die, a good day to die
Before the hangman's noose I'll say It's a good day to die a good day to die
This day it will be mine Shit
Before all hell breaks loose I'll say Before the hangmans noose I'll say It's a good day to die, a good day to die Before all hell breaks loose I'll say This day will be mine..... Before all hell breaks loose It's a good day to die.
