

No Bullshit

Chris Brown & Tyga

3 in the mornin, you know I'm horny
So why don't you come over my place, and put a smile on my face
Leavin the club, shawty hurry up
So we can get this party started, and take off our clothes now
You already know what time it is, reach up in that dresser where them condoms is
And bab when I get it, I'll never let go
Gonna take it slow We ain't gon stop til 9 a.m, if you can't take it all baby say when
Make you cum over and over again, and I'm a leave it in When we do it, all night
We can do it, all night
Girl I'm a give it to you, all night
So fly girl
Don't you be on that bullshit (yeah yeah), all night
So fly girl
Now there's one of two things that can happen at this time of the hour, so bab after we get out of the shower
You can race me to the bed, turn off all the lights and light some candles instead
Woah yeah
I can hear your body callin bab
Ohh yeah
We gon get freaky, you know darlin
You know what time it is, get it in I'm a do it all We ain't gon stop til 9 a.m, if you can't take it all bab say when
Make you cum over and over again, and I'm a leave it in When we do it, all night
We can do it, all night
Girl I'm a give it to you, all night
So fly girl
Don't you be on that bullshit (yeah yeah), all night
So fly girl
We can do it all, all night girl
We can do it all, all night bab all night yeah
All night, we can do it
All night, girl I'm a give it to you
All night, so fly girl (girl act like you know me)
