Madhouse

Little Mix

[Jesy]
I feel a strange sensation
Taking over from my head to my toes
I got the shakes, body rippling
It's enough to shatter my bones
[Perrie]Is it all a dream?
'Cause I don't want to stay awake
But I won't remember a thing
(Oooh)
And now it's running through my veins
I don't know what's happening
Beats so sick
[All]
Running from the madhouse
They won't take me back
Got the medicine to give me what I need
Yes I'm burning up
But music is my drug
Doesn't matter if I shout or if I scream
They're coming for me
(They're coming for me)
[Leigh-Anne]
Everywhere I look
I'm shook I got bloodshot eyes
I'm like a fugitive trying to trying to climb the walls
But my hands are tied
[Jade]
In just one touch
And I'm infected by the sound
Crawling all over my skin
(Oooh)
And the sky is falling down
I don't know what's happening
Beats so sick
All]
Running from the madhouse
They won't take me back
Got the medicine to give me what I need
Yes I'm burning up

But music is my drug
Doesn't matter if I shout or if I scream
They're coming for me
Hey hey!

Hey!
Hey hey!
[Jade]They're coming for me
Hey hey!
Hey!
Hey hey!
[Jade]They're coming for me
[All]
Ohhhh
Men in white coats coats
Getting so close close
Saying my prayers
Don't take me back there
Men in white coats coats
Getting so close close
Saying my prayers
Don't take me back
Take me back
Take me back there
[Perrie]There!
Oo Oo Oo
They're coming for me
[All]
Running from the madhouse
They won't take me back
(They won't take me back)
Got the medicine to give me what I need
Yes I'm burning up
But music is my drug (music is my drug)
Doesn't matter if I shout or if I scream
They're coming for me
[Perrie]
It's like I'm running
But I just can't find my way
[Jade & Leigh Anne]
I don't want to go back
[Perrie]And they can't hear my voice
No matter how I scream
They're coming for me
