

Move On

Freddie Nystrom

Something's are written in stone, something's are written in sand
Can you feel it to the bone, it's up to you to make a stand

I'm getting out of here
I got to move on

Something's will never change, I will always stay the same
(I) Got a feeling ohh it's strange, it's time to play the game

I'm getting out of here
I got to move on

The road is calling my name
Moving out of the shades

guitar solo part

Something's are written in stone, something's are written in sand
Can you feel it to the bone, it's up to you to make a stand

I'm getting out of here
I got to move on

I'm getting out of here
I got to move on
