

# End of the Line

## Taylor Hawkins & The Coattail Riders

If you're my friend  
Stay right by my side  
Show me somethin' good  
At the end of the lineIf you're the one  
Look into my eyes  
Show me somethin' good  
At the end of the lineI've been walkin' over  
The bridges that burn  
You keep talkin' but you  
Don't say a wordIf you're my friend  
Stay right by my side  
Show me somethin' good  
At the end of the lineI've been walkin' over  
Bridges that burn  
You keep talkin' but you  
Ain't said a wordI don't want to see with someone else  
I don't want to see you alone  
Did you heart deceive you?  
Did you open up, just to let me go?In the end  
Will your star still shine?  
Show me somethin' good  
At the end of the lineWhen darkness ends  
Will you be my light?  
Show me somethin' good  
At the end of the lineI've been walkin' over  
The bridges that burn  
You keep talkin' but you  
Don't say a wordIf you're my friend  
Stay right by my side  
Show me somethin' good  
At the end of the line, end of the line
