## Stooshe

What can we do on this intro  
Es una, sucia  
What! Check you out  
Nice little bit of Spanish there Karis  
But what does it mean?  
Basically it means

Ooh she-e-ee's living in a council house  
Five bedrooms, three bathrooms and no spouse  
Aah, I know ya know what I mean  
She's in love (yeah with the social)  
Her-er-er kids are on the hand me downs  
And she's rocking a Boob Jobby an' Tiffney  
Yea, "Got all the charms ain't snide or nothing" (Uurgh!)  
I know you know what I mean

Short skirt, dirty flirt, hands down ya trousers  
As she gets ya wallet out (yea yea yea)  
Kissing ya lips (woops)  
Ya money slipped  
Run for cover  
She's about

Hoochi mumma mumma  
Gonna bang her bang her  
Hope you wanna wanna  
Be a baby father  
Na na na na na  
She got you trapped  
Ha ha ha, ha ha ha ha ha!  
Hoochi mumma mumma  
Rinsing all ya dollar  
Should 'ave worn a rubber  
Duck! Nah you ain't gonna  
Na na na na na  
She got you trapped

No grafting, she's shafting the system

What! I ain't got no time to work  
Ooh, ye-e-ee-ay  
She's like the local piece of brass  
The boys like her, she's all Lycra and no class  
You taking the mick?  
"This is designer mate, see I'm so hot"

Man said drop me out  
Gotta be kidding if she thinks she's got it made (yea yeah yeah)  
Couple more drinks now  
She looking fitter  
Watch out Braaav, ya getting played

Hoochi mumma mumma  
Gonna bang her bang her  
Hope you wanna wanna  
Be a baby father  
Na na na na na  
She got you trapped  
Ha ha ha, ha ha ha ha ha!  
Hoochi mumma mumma  
Rinsing all ya dollar  
Should 'ave worn a rubber  
Duck! Nah you ain't gonna  
Na na na na na  
She got you trapped

Hoochie mumma yeah mickey taker  
Wanna be wag, ah she couldn't be faker  
Effin' ya husband and guessing his wage  
Hollering monthly the day he gets paid  
She's the kind you'll see in the sun  
For shagging xxx and robbing his mum  
Wot? No not robbing his mum, robbing with his mum Sue...  
Sue! Oh yeah Sue, I like Sue
