Wolf

Pyramid

Uh, uh, uh... Uh, uh, uh, uh, uh, uh, uh, uh...

Can you see it's full of lightning,
All the futures that I see are whitening.
I see the time of yesterday,
Become the time that we have today, oh!

I'm looking for a hidden meaning,
Can you tell me if it's just a feeling?
I see the light shining in your eyes,
Is it love just in disguise?

I saw the light shine out today,
I saw the light shine out today.
And it told me that, that you're not the one for me,
That you're not the one for me.

Can you hear the ancient calling?
I see the empires we built are falling.
All we have is a human touch ah,
Think I can stick it even as we rush, ah!
