No. 1 Song in Hell

Splashh

My old car keeps breaking down
My new car ain't from japan
There's already too many Datsuns
In this townAnother thing that's bugging me
Is this commercial on t.v.
Says that Detroit can't make good cars
any moreMotor City
Who's driving my car?
Who's driving my car now?
Whooooo?My army jeep is still alive
Got locking hubs and four wheel drive
Ain't got no radio, ain't got no mag wheels
Ain't got no digital clockAin't got no clockThe paint job is lookin' blue
The whitewalls are missing too
But I guess until I get my car back
This'll doWho's driving my car now?
