

# Kiss You All Over (Re-Recorded / Remastered)

## Exile

When I get home, babe, gonna light your fire  
All day I've been thinkin' about you, babe  
You're my one desire Gonna wrap my arms around you  
Hold you close to me  
Oh, babe I want to taste your lips  
I want to fill your fantasy, yeah I don't what I'd do without you, babe  
Don't know where I'd be  
You're not just another lover  
No, you're everything to me Ev'rytime I'm with you, baby  
I can't believe it's true  
When you're layin' in my arms  
'n' you do the things you do You can see it in my eyes  
I can feel it in your touch  
You don't have to say a thing  
Just let me show how much  
I love you, need you, oh babe I want to kiss you all over  
And over again  
I want to kiss you all over  
Till the night closes in  
Till the night closes in No one else can ever make me  
Feel the way you do  
Oh, so keep on loving me baby  
And I'll keep loving you  
Well it's easy to see  
When something's right or something's wrong  
So stay with me baby and hold me all night long Show me, show me everything you do  
'Cause baby no one does it quite like you  
I love you, need you, oh babe I wanna kiss you all over  
And over again  
I wanna kiss you all over  
Till the night closes in  
Till the night closes in Stay with me, lay with me  
Holding me, loving me, baby  
Here with me, near with me  
Feeling you close to me, baby Show me, show me everything you do  
'Cause baby no one does it quite like you  
Love you, need you, oh yea I wanna kiss you all over  
And over again  
I wanna kiss you all over

Till the night closes in  
Till the night closes inTill the night closes in  
Wanna kiss you all over  
Till the night closes in  
Till the night closes inWhen I get home, baby  
Gonna light your fire
