Jumping Into Rivers

Diana Vickers

Ho, ah, ah, ah, oh, oh, oh
Ho, ah, ah, ah, ah, ah, ah, ah
Ho, ah, ah, ah, oh, oh, oh
Ho, ah, ah, ah, ah, ah, ah, ah
Back of the scooter
I cut your waist
We rode away into the night
Were reality breaks
I look at you
And take a picture with my hands
Not much to do, ho, oh, oh
Sit and laugh away our days
We're on the run
Are we still jumping in and
We're on the run
Are we still jumping into rivers
Into rivers, oh, oh, oh
Ho, ah, ah, ah, ah, ah, ah, ah
Into rivers, oh, oh, oh
Ho, ah, ah, ah, ah, ah, ah, ah
There's no fight
And there's no challenges with you
Just a night
The crescent sunshine right on que
Down inside
Though we don't need anything
Or need anyone or any place
Just the sun, just the sun
We're on the run
But we still jumping in and
We're on the run
But we still jumping into rivers
Into rivers, oh, oh, oh
Ho, ah, ah, ah, ah, ah, ah, ah
Into rivers, oh, oh, oh
Ho, ah, ah, ah, ah, ah, ah, ah
Everything's changing color
So everything seems so perfect
We won't know each other tomorrow

Then every day's been worth that, ho, oh, ooh, ooh
We're on the run
Are we still jumping in and
We're on the run
Are we still jumping into rivers
Into rivers, oh, oh, oh
Ho, ah, ah, ah, ah, ah, ah, ah
Into rivers, oh, oh, oh
Ho, ah, ah, ah, ah, ah, ah, ah
Ho, ah, ah, ah, ah, oh
Ooh, ooh, ooh, ooh, ooh, ooh
Ho, ah, oh, oh, oh, oh
Ho, ah, oh, ah, oh, oh, oh, ooh
