

Thrill Me

Michael Monroe

I got new shoes
I'm walking new ground
I had old friends
But they're no longer around
I'm tired of the same scene
Playing over and over again
Some people saved me
So now I'm gonna save them

I can lay on my back and die like a dog
But there's gotta be more
There's gotta be more!

So thrill me
With something new
Thrill me
With something I can use
Thrill me
With some better news
Thrill me

Anything for money
Now I can see just where you're at
Ain't it funny
How it always bites you back

I could crawl in a hole and hide 'til I'm old
But there's more
I know there's gotta be more

So thrill me
With something new
Thrill me
With something I can use
Thrill me
Is it something I missed?
Thrill me
Or is it something like this, check it out!
