Friends With Benefits

Randy Rogers Band

Well, I'm so sick and tired of all your hissy fits
We've got irreconcilable differences
If we could just say no to this relationship
We could be best friends with benefitsThat's right, that's what I said
That's the best thought I ever had
So what do you say, we've got nothing to loseYou get yours and I get mine
That's where we draw the line
Now I'm leaving it up to youWell, I'm so sick and tired of all your hissy fits
We've got irreconcilable differences
If we could just say no to this relationship
We could be best friends with benefitsWell, nobody has to know
Do we really wanna let this go
Just 'cause we can't get alongOh baby, it's a full proof plan
Let me be your loving man
Can't see how it could go wrongI'm so sick and tired of all your hissy fits
We've got irreconcilable differences
If we could just say no to this relationship
We could be best friends with benefitsI've searched high and low to find somebody new
Every road I travel down leads right back to youI'm so sick and tired of all your hissy fits
We've got irreconcilable differences
If we could just say no to this relationship
We could be best friends with benefits
Come on, let's be best friends with benefits
