

Let Me See

Morcheeba

Who can you trust when you need to?
Why do we rust when we heed you?
Crashin' back down to earth I've found

We can love

Oh, let me see

All of the places that I can be

Oh, let me know

All of the places where we can go

Do you ever think in bubbles?

Do you ever shake up troubles?

Fallin' apart right from the start

Crawling 'round

Oh, let me see

All of the places that I can be

Oh, let me know

All of the places where we can go

Show us how to stand up, strong

Waitin' for you takes so, long

Shadows leave us standing naked

We can't fake it

Oh, let me see

All of the places that I can be

Oh, let me know

All of the places where we can go

Oh, let me see

All of the places that I can be

Oh, let me know

All of the places where we can go
