

# Pass Me By

Advisory - the following lyrics contain explicit language:

Remember that trip we took in Mexico?  
Yeah, hanging with the boys and all your seÑoritas  
I never spoke up, yeah, I never said hello  
But I keep on trying to find a way to meet ya  
Yeah I was chillin', you were with him  
Hooked up by the fire  
Now he's long gone  
I'm like, "So long"  
Now I got my chance  
Now I, now I got my chance Like damn  
You could be the one that could mess me up  
You could be the one that'll break me  
Damn  
All them other girls said they had enough  
You could be the one that'll take me  
I was solo, living YOLO  
'Til you blew my mind Like damn  
You can be the one that could mess me up  
I can't let you  
Can't let you pass me by  
Oh oh, oh oh, oh oh  
I can't let you pass me by  
Oh oh, oh oh, oh oh  
I can't let you pass me by I was trying to play too cool to get caught up  
Like too fun, too young to fall to pieces  
I know a girl like you can't ever get enough  
So I'm addicted, trippin', trying to get you to see this The way I need you, like I'm seen through  
Dancing out my pants  
Got you shaking, caught you looking  
Now I got my chance  
Now I, now I got my chance Like damn  
You could be the one that could mess me up

You could be the one that'll break me  
Damn  
All them other girls said they had enough  
You could be the one that'll take me  
I was solo, living YOLO  
'Til you blew my mind Like damn  
You could be the one that can mess me up  
I can't let you, can't let you pass me by  
Oh oh, oh oh, oh oh  
I can't let you pass me by  
Oh oh, oh oh, oh oh  
I can't let you pass me by It's like  
Everywhere I look and everywhere I go  
A million other guys be staring and I know that  
I can be yours and you can be mine  
I just can't let you pass me by - by - by Everywhere I look and everywhere I go
