

Evergirl

Play

Ever dreams, ever true
Ever cool, ever you
Ever power, ever proud
Just say it ever loud You can be whatever girl you wanna be
Ever true, ever you, ever me, every girl is me
Never ever let them get the best of you, ever
'Cause there ain't nothing you can't ever do
You can be whatever girl you wanna be
Ever true, ever you, ever me, every girl is me Hey, girls come and gather 'round
'Bout to tell ya how it's going down
We're the ever girls in the ever world
Take notes you're in ever school
Now, you're playing by the ever rules
Giving you an ever view, the rest is up to you Reach for the stars
They're shooting from the sky
Dreams aren't that far
They're what you have inside
Who brings you joy
Have faith in you will find
Dreams aren't that far
They're what you have inside Never ever let them get the best of you ever
'Cause there ain't nothing you can't ever do
You can be whatever girl you wanna be
Ever true, ever you, ever me, every girl is me Doesn't matter if you're short or tall
It's not about your color at all
Anyone can be an ever girl like me
So let's go on an ever ride
You'll never fail as long as you try
That's the ever way, just live it everyday Reach for the stars
They're shooting from the sky
Dreams aren't that far
They're what you have inside
Who brings you joy
Have faith in you will find
Dreams aren't that far
They're what you have inside Never ever let them get the best of you ever
'Cause there ain't nothing you can't ever do
You can be whatever girl you wanna be
Ever true, ever you, ever me, every girl is me

Every girl is you and me
Ever true, ever you, ever me, every girl is me
