

# Tu Sei Bella, Signorina

**Dean Martin**

(1961)

Tu sei bella signorina  
You're the flower of Napoli  
Tu sei bella signorina  
I wish I could tell you what you mean to me  
Strollin' down the via Roma

Proud as a princess of york  
Tu sei bella signorina  
You're the one I've been waiting for  
Tu sei bella signorina  
You're the one I've been waiting for
