

# They Long to Be Close to You

**Carmen McRae**

Why do birds suddenly appear  
Every time you are near?  
Just like me

They long to be close to youWhy do stars fall down from the sky  
Every time you walk by?  
Just like me

They long to be close to youOn the day that you were born  
The angels got together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair

And golden starlight in your eyes of blueThat is why all the girls in town  
Follow you all around  
Just like me

They long to be close to youOn the day that you were born  
The angels got together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair

And golden starlight in your eyes of blueThat is why all the girls in town  
Follow you all around  
Just like me

They long to be close to you  
Oh, just like me  
They long to be close to you  
Baby, baby, baby  
They long to be so close to you
