

# All the Way To Reno (Unplugged 2001)

R.E.M.

Humming, all the way to Reno  
Dusted the non-believers  
And challenged the laws of chance  
Now, sweet, you're so sugar sweet  
You may as well have had kicked me  
Listened honestly You know what you are  
You're gonna be a star  
You know what you are  
You're gonna be a star Wing is written on your feet  
You're achilles heel, is a tendency to dream  
But you've known that from the beginning  
You didn't have to go so far  
You didn't have to go You know what you are  
You're gonna be a star  
You know what you are  
You're gonna be a star You know who you are  
You know who you are  
You know who you are Humming  
All the way to Reno  
You've written your own directions  
And whistled the rules of change You know what you are  
You're gonna be a star  
You know what you are  
You're gonna be a star You know what you are  
You're gonna be a star  
You know what you are  
You're gonna be a star Humming  
All the way to Reno  
All the way to Reno  
All the way to Reno You're gonna be a star  
You're gonna be a star  
You're gonna be a star  
You're gonna be a star
