

# Full of Fire

Al Green

I'm full of fire (full of fire, full of fire)  
You're my one desire,  
Baby I'm full of fire (full of fire, full of fire)  
You can make me cry,  
I can dance to the music,  
I can sing, all night long  
I can play with the band, until you hear my song Cause I'm full of fire (full of fire, full of fire)  
See the party lights,  
Baby I'm full of fire (full of fire, full of fire)  
Its the reason why,  
I can dance with the fire,  
Burnin', burnin' low,  
I can stay until the party is all over Baby I'm full of fire (full of fire, full of fire)  
I'm over a twenty one,  
Baby I'm full of fire (full of fire full of fire)  
Life has just begun,  
Oh, oh I can dance to the music,  
I, I can under, understand  
That there must be an upper power that is holding my hand  
Dance, dance, dance Oh I understand,  
Young lady, young man, I say I understand, Baby I'm full of fire (full of fire, full of fire)  
I'm over a twenty one,  
Baby I'm full of fire (full of fire full of fire)  
Life has just begun,  
Oh, oh I can dance to the music,  
I, I can under, understand  
That there must be an upper power that is holding my hand  
Dance, dance, dance Oh I understand,  
Young lady, young man, I say I understand, I can dance dance, dance, dance,  
I understand, understand, understand  
There's some things that may not know,  
But I want the horn to blow,  
There's some things that I know,  
But I want the horn to blow,  
I can dance dance, dance, dance,  
I understand, understand, understand  
There's some things that may not know,  
But I want the horn to blow,  
I can dance

Let me say that I can dance  
Full of fire, my heart's desire  
Full of fire
