

Round In Circles

Wetton / Manzanera

Feel the heat
Here at Laguna Beach
I walk alone on edge
And watch the waters flow

Grains of sand
Slip through my hand
Like streams of wasted time
They fall down to the shore

Round in circles all the time
Round in circles all the time, ooh
(Round in circles all the time)
Did I ever steal your crown?
(Round in circles all the time, ooh)
Was it me who let you down?
I knew for certain

Put my trust in you
Like missing persons often do
Then you locked me up
And threw away the key

Round in circles all the time
Round in circles all the time, ooh
(Round in circles all the time)
Did I ever steal your crown?
(Round in circles all the time, ooh)
Was it me who let you down?
I knew for certain

I live in the house on the hill
All my thoughts they live there still
No more vicious social circles
It's all gone

You spin me round
Turned my nightmares upside down
Echoes of the life

That never was meant to be

Round in circles all the time
Round in circles all the time, ooh
(Round in circles all the time)
Did I ever steal your crown?
(Round in circles all the time, ooh)
Was it me who let you down?
I knew for certain

Round in circles all the time
Round in circles all the time, ooh
Round in circles all the time
Round in circles all the time, ooh

(Round in circles all the time)
Did I ever steal your crown?
(Round in circles all the time, ooh)
Was it me who let you down?
I knew for certain

(Round in circles all the time)
Did I ever steal your crown?
(Round in circles all the time, ooh)
Was it me who let you down?
I knew for certain
