

The Wizard (Live at Jo's Public Theatre NYC)

Bat for Lashes

Doing the mess around
Push me down into the ground
Taste the hands that drink my body Fight me in the dark
Wrestle your bones over mine
Into our moonless march come the wizard Come, the wizard comes
The wizard comes
The wizard comes
The wizard comes Wants to feel you shake and shooting
He will be our leader
Wants to feel you shake and shooting
He will be our leader Trembling midnight lands
I travel with the wizard
Drink his blood and he's our leader Breath songs in my head
Slow arrow flies, are burning
And the trouble we possess
While the sunshine goes on sleeping
The sunshine Wants to feel you shake and shooting
He will be our leader
Wants to feel you shake and shooting
He will be our leader Wants to feel you shake and shooting
He will be our leader
Wants to feel you shake and shooting
He will be our leader
