English Translation:

[CL] I am the Best
I am the Best
I am the Best
I am the Best
Th-th-the Best (BEAT!)

Oh my god

[BOM] Whoever looks at me can see Iâ€™m kind of a killer
alright
This body is second to no one
alright

[DARA] Youâ€™re following behind me but
Iâ€™m only running forward
I jump on top of the table youâ€™re sitting at
I donâ€™t care

[CL] If you touch me you wonâ€™t be able to handle it
Iâ€™m hot hot hot hot fire
Before I flip something over
Please can someone stop me

[MINJI] I open my closet and
Put on the freshest outfit
The reflection of my face in the mirror

I carefully check it over
Right now itâ€™s 8
Iâ€™m supposed to meet up at 8:30
Tonight I set out with bold steps

[Each girl sang this verse]

I am the Best
I am the Best
I am the Best
I am the Best
Th-th-the Best

[MINJI] Whoever looks at me can see Iâ€™m kind of fabulous
alright
Even if you were me, youâ€™d be envious of this body
alright

[BOM] Guys are turning around to look at me
Girls are following me
Being looked down on in the spot
Iâ€™m sitting at, every day is tiring

[DARA] Pretending to be an athlete, this snobby
Clumsy Playa
Like youâ€™re a flat tire
Iâ€™ll dump you good for people to see

[CL] I refuse to be compared
Iâ€™m telling you the truth
If weâ€™re talking about my value, Iâ€™m a
Billion dollar baby

People who know a thing or two
They all know it so ask them
Grab anyone and ask them
Who is the best

[Each girl sang this verse]

I am the best
I am the best
I am the best
I am the best

[CL] Who? You are better than me?

No no no no na na na na
Who? You are better than me?
No no no no na na na na
Who? You are better than me?
No no no no na na na na
Who? You are better than me?
No no no no na na na na
