Tell Me What You Want Me to do

Tevin Campbell

Oh baby, girl, baby, yeah yeah
I love you girlYou called me up and I came to see you
You say you've been awake all night
It hurts me deep inside when I see you cryin'
Whatever's wrong I'll make it rightIf you understand how I feel
You should know that my love is real, ohTell me what you want me to do
My love is always here for you, oh
Tell me what you want me to do
My love is always here for you
So tell me what you want me to do
Tell me girlThere were times that I didn't show it
Just how much I care for you, I'm so sorry
Now don't keep sayin', "It's too late to think it over", my baby
After all that we've been throughGirl, I'm beggin' you, I'm down on my knees
Don't walk away, baby please don't leave me nowTell me what you want me to do, oh
My love is always here for you, oh
Tell me what you want me to do, oh
My love is always here for you
So tell me what you want me to do, oh baby yeahGirl I know that we can work it out somehow
Isn't that what love's all about
I'm gonna be by your side, we're gonna see it through this time
I won't let you slip away, say you'll stay with me
Stay with me girl
'Cause you're the finest girl that I've ever seenTell me, tell me what you want me to do, baby
My love is always here for you and only you, oh
Tell me what you want me to do
My love is always here for you
So tell me what you want me to do, yeah yeah yeah
So tell me what you want me to do, yeah
Tell me girl
