

# I'm Glad (1966 Demo)

## Captain Beefheart

(so sad baby so glad girl)  
When you first came round I was sad  
My head hung down I felt really bad  
Now I'm glad, glad about the good times that we've had  
Walked in the park  
kissed in the dark  
leaves burned just like just like a spark  
Now I'm glad  
glad about the good times that we've had  
You went away I cried night and day  
for what you done I had to pay  
Left me so blue I don't know  
where to go or what to do  
please come back and let the sun shine through
