NO LETTER TODAY

WRITER FRANKIE BROWN aka TED DAFFAN

No letter today I've waited since dawn I've waited each day since you have been
gone

No letter today all the days are so long oh why don't you write I know I was wrong
Just give me one chance please won't you forgive I'll love you my dear as long as I live
I know it's no use though I hope and I pray the postman goes by no letter today
Just give me one chance please won't you forgive I'll love you my dear as long as I live
I know it's no use though I hope and I pray the postman goes by no letter today
