High Tide or No Tide

Evergreen Terrace

serrated words
can cut so deep
they slash across my chest
and now they pour into my lungs.
they will never be the same.
have you enjoyed your selfish gameswhat doesn't kill me, makes me numbplease don't forgive me
I'm never waking up
this won't mean anything to you
no use resisting
you'll never get enough
this won't mean anything to you
the hole you left
I filled with the stones
you threw and now it's time to sink
rats will eat all my flesh and lick my bones cleanI'd rather be here than there with youI need you to say I don't mean anything to you
I need you to break, I don't mean anything to you
I can't breath with you near me
cut so deep, taking over
leave me here dead inside
I can't breath knowing you're alive
