That`s All Right

Stray Cats

That's all right, my mama
That's all right for you
That's all right, my mama
Any old way you doBut that's all right, well that's all right
Well that's all right, my mama
And anyway that you wanna do, oohMy mother, she did tell me
Papa did tell me too
Son that woman that you're foolin' with
She ain't no good for youBut that's all right, well that's all right
Yeah that's all right, my mama
And any old way that you wanna doI'll be leaving here tomorrow
Leaving here for sure
You ain't gotta be bothered with me
Hangin' 'round your doorBut that's all right, yeah that's all right
Well that's all right, my mama
Anyway that you wanna do, oohThat's all right, my mama
That's all right for you
That's all right, my mama
Any old way you doBut that's all right, oh well that's all right
Well that's all right, my mama
Anyway that you wanna do, ohAnd that's all right, my mama
Anyway you wanna do, ooh
Well that's all right, my mama
Anyway you wanna do, oh yeahWell that's all right, my mama
Anyway you're gonna do, ooh
That's all right, my mama
Anyway you wanna doThat's all right, my mama
Anyway you wanna do
That's all right, my mama
Anyway you wanna do, ooh
That's all right, my mama
Anyway you wanna do
