

# That`s All Right

## Stray Cats

That's all right, my mama  
That's all right for you  
That's all right, my mama  
Any old way you do But that's all right, well that's all right  
Well that's all right, my mama  
And anyway that you wanna do, ooh My mother, she did tell me  
Papa did tell me too  
Son that woman that you're foolin' with  
She ain't no good for you But that's all right, well that's all right  
Yeah that's all right, my mama  
And any old way that you wanna do I'll be leaving here tomorrow  
Leaving here for sure  
You ain't gotta be bothered with me  
Hangin' 'round your door But that's all right, yeah that's all right  
Well that's all right, my mama  
Anyway that you wanna do, ooh That's all right, my mama  
That's all right for you  
That's all right, my mama  
Any old way you do But that's all right, oh well that's all right  
Well that's all right, my mama  
Anyway that you wanna do, oh And that's all right, my mama  
Anyway you wanna do, ooh  
Well that's all right, my mama  
Anyway you wanna do, oh yeah Well that's all right, my mama  
Anyway you're gonna do, ooh  
That's all right, my mama  
Anyway you wanna do That's all right, my mama  
Anyway you wanna do  
That's all right, my mama  
Anyway you wanna do, ooh  
That's all right, my mama  
Anyway you wanna do
