Give It Up

RKL

Give It Up!
Living my life just for me and today.
Blind to what you show me,
And deaf to what you say.
Followed you and wound up lost.
Still your the one who sits home and rots.
Now it's my turn to talk, so listen up!
Your years of advice and shit,
I've had enough!
Suck what!
Well, I did it my own way
I got put through the test
Never quitting, slowing down, or losing hope
I did my best
You said I'd fail
I said yeah you wanna bet
And now when you look at me
What you see is what you get
I was afraid, I tried to hide who I am deep inside
I didn't know how hard it'd be
Tryin' to be someone else instead of being
Me is the person I live my life for today
Oblivious to you
But see, I like it more that way
Just me myself and I, but definitely not you.
I'll ride this fucker out, I'll live my life,
I'll see it through.
What you see is what you get.
What you see is what you get.
What you see is what you get.
I was afraid, I tried to hide,
Who I am deep inside.
I didn't know how hard it'd be,
Tryin' to be someone else instead...
Of bein' me!
