

Map of the World

Plain White T's

Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh The stars at night burn so bright
But where do I fit in?
Am I too small to matter at all
Oh, where do I fit in? Am I a dot on the map of the world
Just a spot on the map of the world?
When I imagine the whole universe
Oh, where do I fit in? The wind comes through singin' the blues
But where do I fit in?
The Autumn trees dance with the breeze
But where do I fit in? Am I a dot on the map of the world
Just a spot on the map of the world?
When I imagine the whole universe
Oh, where do I fit in? Wish I may and wish I might
Find some answers here tonight
Tell me, is there something out there? Is there more than I can see?
I don't know what I believe
Tell me, is there something out there
Anything out there? Am I a dot on the map of the world
Just a spot on the map of the world?
When I imagine the whole universe
Oh, where do I fit in? Am I a dot on the map of the world
(Map of the world)
Just a spot on the map of the world?
(Map of the world)
When I imagine the whole universe
Where do we all fit in? Oh, oh, oh, oh, whoa, oh, oh, oh
Oh, oh, oh, oh, whoa, oh, oh, oh
Oh, oh, oh, oh, whoa, oh, oh, oh
Oh, oh, oh, oh
