Angel

Judas Priest

Angel - put sad wings around me now
Protect me from this world of sin
So that we can rise again

Oh angel - we can find our way somehow
Escaping from the world weÂ’re in
To a place where we began

And I know weÂ’ll find
A better place and peace of mind
Just tell me that itÂ’s all you want - for you and me
Angel wonÂ’t you set me free

Angel remember how weÂ’d chase the sun
Then reaching for the stars at night
As our lives had just begun

When I close my eyes I hear your velvet wings and cry
IÂ’m waiting here with open arms Â– oh canÂ’t you see
Angel shine your light on me

Oh angel will we meet once more Â– IÂ’ll pray
When all my sins are washed away
Hold me inside your wings and stay
Oh! angel take me far away

Put sad wings around me now
Angel take me far away
Put sad wings around me now
So that we can rise again
