Damn the Sky

Beastwars

Take me to the top of the hill
Where the birds refuse to fly
Raise your hands to the damned skyIs it the magic in you?
In the land,
this land of the deadRaise my hands to the damned sky
Watch those twin moons collideTake me to the top of the hill
Where the birds refuse to flyRaise my hands to the damned sky
Watch those twin moons collideIs it the magic in you?
In the land,
this land of the deadRaise my arms to the damned sky
Watch those twin moons collideGive it all manGive it all
Give it time man
To learn how to dieGive it all man
Give it time
To learn to flyGive it all man
Give it time
To learn how to die
