

Circle of Tears

Chip Taylor

And i can see the teardrops in your eyes
and the saddest part of loving you
is that, i can keep m' dry
Just for a time, throw your heartaches to the wind
and keep you there in a circle of tears again

And i know, i'll never change my loving you,
not for a minute
it's just life and all it's in it
and i wanna share it with you
but i'm so afraid to, afraid to hurt you
i can see the teardrops in your eyes
and the saddest part of loving you
is that, i can keep m' dry
Just for a time, throw your heartaches to the wind
and keep you there in a circle of tears again

And i know, no i don't wanna say goodbye
but can you stand it
girl it ain't the way you planned it
love is a burden for me
it's got me wandering
hold on, won't you hold on

I can see the teardrops in your eyes
and the saddest part of loving you
is that, i can keep m' dry

Just for a time
throw your heartaches to the wind
and keep you there in a circle of tears again

and keep you there in a circle of tears again

and keep you there in a circle of tears again.....
