

Believe It - Cazzette's Androids Sound Hot Remix

Spencer & Hill & Nadia Ali

Every night, every day
Iâ€™ve been working too hard lately
I get no sleep
Get no rest and I need to relax baby

So let's go out
Forget this stress
We think too much
Forget this stress
We work too hard
And have no time
So letâ€™s go out
Relax our minds

Can you feel it?
We can escape and feel so free
If you believe it
It will be yours in a heartbeat

Can you feel it?
We can escape and feel so free
If you believe it
It will be yours in a heartbeat

Can you feel it? (it)
We can escape and feel so free (so free, yeah)
If you believe it
It will be yours in a heartbeat

Uh, you will receive it
Yeah, yeah

Uh, you will receive it
Yeah, yeah

Iâ€™m on the line all the time
Always spinning my wheels around
I need a break 'cause itâ€™s late
I can finally unwind right now

So let's go out
Forget this stress
We think too much
Forget this mess
We work too hard
And have no time
So let's go out
Relax our minds

Can you feel it?

It's, yeah

Can you feel it?
We can escape and feel so free
If you believe it
It will be yours in a heartbeat, yeah

Can you feel it? (it)
We can escape and feel so free (so free, yeah)
If you believe it
It will be yours in a heartbeat
