

# Hearts Alive

## Mastodon

Taken down with hearts alive  
Our hearts aliveLurking dark underground  
Descend to the bottom  
Swim below eternally  
Into the Deep Blue SeaTime and space, all alone  
It can be a lonely place  
There it goes, opening up  
I can't stand, I can't breatheRolled fin out  
Oil stripped  
Hold is filledOcean coil, water boils  
He swims to the surface  
Flame from mouth, smoke he breathes  
Enter the caverns of the deepTime and space, all alone  
It can be a lonely place  
There it goes, opening up  
I can't stand, I can't breatheTerrified, ghastly cry  
Spiraled lives  
Taken down  
Taken downThe iron side  
Bucket of lead  
Battle is she  
Not for defeatThe iron side  
Bucket of lead  
Battle is she
