

Highly Unintentional

Broncho

I got my mind made up for me now, sir
I like this ritualistic behavior
I've been thinking bout, thinking about you now
If my back bone holds the weight of it all
Highly unintentional
I think I know why you might be sad
I overheard what you heard my mouth was saying
Don't think that I meant to be bad
Don't think that my mind was on vacation
Highly unintentional
Highly un-irrational
Trying to find a easy way downtown
Trying to find a easy way down
Got my mind made up for you now sir
Now it won't be long til it's long overtaken
Won't you please try to please me now?
Stick around even if you're not staying
Highly unintentional
Highly un in-uh-tentional
Trying to find an easy way downtown
