

# What A Day

## Simon Finn

Sittin' on your ass all day thinkin' about your hangover  
And the party you left your fuckin' keys at  
And had to beg for a ride from a stranger that I never met before  
He acted so friendly that I had to take the ride  
But for some reason he resembled that guy  
Wanted for a robbery and beatin' on his kids  
"You remind me of my stepson" he chuckled with a grin  
What was that move that they taught in self-defense  
Where you block the killer's knife move with some confidence  
The signal where you're trapped inside a moving car  
Wonder if he'll drive real far  
What a day, what a day  
Should've stayed home shootin' the breeze all day  
What a day, what a day  
What a day, what a day  
Should think next time before you start to play  
What a day, what a day  
I wonder what will happen today  
Rub your eyes from no sleep this week  
Tap your heels home then fall asleep  
Sittin' around looking for a fight  
Kinda' pissed off how I'm turnin'  
My life upside down from insecure  
Insecurities makin' up my mind through old hypocrisy  
Up and out of harms way, down 'cause I want to be there  
Here because you want me

Not because you're caught in my stare  
What was that move that they taught in self-defense  
Where you block the killer's knife move with some confidence  
The signal where you're trapped inside a moving car  
I wonder if he'll drive real far  
What a day, what a day  
Should've stayed home shootin' the breeze all day  
What a day, what a day  
What a day, what a day  
Should think next time before you start to play  
What a day, what a day  
I wonder what will happen today

Rub your eyes from no sleep this week  
Tap your heels home then fall asleep  
Asleep in bed you'll do something tomorrow instead  
    What a day, what a day  
Should've stayed home shootin' the breeze all day  
    What a day, what a day  
    What a day, what a day  
Should think next time before you start to play  
    What a day, what a day  
    What a day, what a day  
    What a day, what a day
