

# Move For Me

## Kaskade

Another night out, another dance floor  
Another night out, another dance floor  
Another night out, another dance floor  
(Move for you)

Another night out, another dance floor Here we go, another night out

Waited all week just to get out

Where do we come from, do I know your name?

Doesn't really matter, in this life we're all the same Move for me, I'll move for you  
Move for me, I'll move for you  
Move for me, I'll move for you

Move for me, I'll move for you A DJ a light show

Speakers putting up, as we go

This way and that way, getting past the night

Doesn't really matter, in this life we're all the same Move for you, I'll move for you  
Move for me, I'll move for you

Move for me, I'll move for you Another night out, another dance floor

Another night out, another dance floor  
Another night out, another dance floor

(Move for me)

Another night out, another dance floor

(Move for me) Another night out, another dance floor

(Move for me, I'll move for you)

Another night out, another dance floor

(Move for me, I'll move for you)

Another night out, another dance floor
