

Home (c.c.'s Story)

Poison

I want to go
I want to go home now
I want to go
I want to go home now
Let's go
Saturday night, Rainbow Bar and Grill
Where there's cocaine lines and a little white pill
A beer and a gin, now I can't see straight
Slip it in, no glove, oops, too late
I remember her face but forgot her name
She forgot mine too, ain't that a shame
Smelled like reefer and my hair's in a mess
I left my love running down her dress
I want to go
I want to go home now
I want to go
I want to go home now
Dave from Drowning Pool is here
Steals my women and he drinks my beer
Buys me a pizza and a shot of Jim Beam
And ask who the fuck is Angeline
I to to piss the parking lot well I
Get in a fight but I don't get caught
Hell, no problem 'cuz the night's still young
I want a little more, gonna get ya some
I want to go
I want to go home now
I want to go
I want to go home now
CC, let's go
Rock stars, movie stars, a Hollywood scene
I eat dinner with Nick Cage and Charlie Sheen
Nick asks me what the hell unskinny bop means?
It's slang for CC banging a porno queen
Mario, Michael, Tony and Steady
RV won't ya get table six ready?
My platinum records hang all around
Rainbow's home when I'm in this town
