

# Renacer

## G-noma

The gate you're afraid to enter  
Holds the treasures you seek  
Your flesh, my bones  
Young hearts, old souls  
The gate you're afraid to enter  
Holds the treasures you seek  
Silver and gold  
Young hearts, old souls  
This is the death of the subconscious you knew  
Follow the inner voice, follow the truth  
Forever we are bound to this burial ground  
Unless we let the light shine through  
(Reborn)  
My heart it no longer bleeds[?]  
(Reborn)  
I've got the love that I need

Stop wasting your time waiting on misery  
I'm reborn eternally  
When you look in the mirror  
Are you proud of what you see?  
When you look in the mirror  
Are you the person you thought you'd be?  
The gate you're afraid to enter  
Holds the treasures you seek  
Your flesh, my bones  
Young hearts, old souls  
The gate you're afraid to enter  
Holds the treasures you seek  
Silver and gold  
Young hearts, old souls  
Your flesh, my bones  
Young hearts, old souls
