

Three Is a Magic Number

Blind Melon

Three is a magic number
Ya it is, it's a magic number
Somewhere in that ancient mystic trinity
You'll get three
As a magic number
The past, the present, the future,
Faith, and hope, and charity,
The heart, the brain, the body,
Will give you three,
It's a magic number It takes three legs to make a tripod or to make a table stand,
And it takes three wheels to make a vehicle called a tricycle
And every triangle has three corners,
Every triangle has three sides,
No more, no less,
You don't have to guess
That it's three
Can't you see?
It's a magic number A man and a woman had a little baby
Yeah they did
And there were three in the family
And that's a magic number 3, 6, 9,
12, 15, 18,
21, 24, 27,
30 Now multiply backwards from 3×10
 3×10 is 30
 3×9 is 27
 3×8 is 24
 3×7 is 21
 3×6 is 18
 3×5 is 15
 3×4 is 12
And 3×3 is 9
And 3×2 is 6
And 3×1 is 3 of course
(now dig the pattern once more!) 3, 6, 9,
12, 15, 18
Oh yeah 3×10 is 30
 3×9 is 27
 3×8 is 24

3x7 is 21

3x6 is 18

3x5 is 15

3x4 is 12

And 3x3 is 9

And 3x2 is 6

And 3x1

What is it?

3A man and a woman had a little baby

There were three in the family

And that's a magic number
