Let Me Be Your Superhero

Smash Into Pieces

I'm off to save the world, like I'm some kind of Batman.
I'm gonna make you see the power that is me.
Uhhhh-uh, it's what we do that defines us.
Uhhhh-uh-uh-uhhh, I'm doin' it all for you.
Let me be your superhero.
Let me be the one to hold you.

Let me be your superhero, your dynamite.
Let me be the one to hold you.
To do you right.

We're living in a world with madness in the shadows.
I'm here to keep you safe, protect you from the dark.
Uhhhh-uh, sometimes I feel like a monster.
Uhhhh-uh-uh-uhhh, but I know what's best for you.

Let me be your superhero, your dynamite.
Let me be the one to hold you.
To do you right.
Let me be your superhero, your dynamite.
Let me be everything you need to feel alright.

Anywhere you go I'll follow.
Hoping I could show I'm not the enemy.
Wishing you would see that I'm more than a stalker. (stalker)

Let me be your superhero, your dynamite.
Let me be the one to hold you.
To do you right.
Let me be your superhero, your dynamite.
Let me be everything you need to feel alright.
(Let me be everything you need to feel alright)
