

# I Don't Care Too Much For Reggae Dub

## Sublime

{ See, I chose, I chose this profession  
So therefore, I, I earn beer  
Pretty much  
You guys got matches?  
And I'm not lyin' one fuckin' bit, either  
Are you guys musicians?  
We're magicians  
What kind of music y'all play?  
The kind that, I dunno  
Ask an' you shall recieve }  
{ Reggae  
Reggae?  
Oh, reggae }  
{ I'm not too into reggae  
Why not?  
Oh well  
Because I don't like it, that's why  
We play rock, blues  
Oh, actually, we play, you know Bon Jovi?  
No  
I like this, I like a little bit of this, this kind of music  
Yeah?  
Yeah  
I like jazz, blues  
Jazz is great  
I'm not too into rap  
I really don't like the rap  
I like oldies  
Some rock, some hard rock  
I even like a little Mexican music  
Don't understand the shit they're sayin' but it's good  
Don't understand nuthin', but I like it  
Now, the Indian music  
Now that's somethin' to trip off of  
Because every song is like  
Yeah, you trippin' pretty hard  
I'll bet you trip hard  
Oh, he's got it goin' on }  
{ Don't you know that I'll need your very hand?

Yeah  
Everyday  
Yeah, yeah  
Everyday  
Everyday I say, oh please don't lie  
We gotta leave  
I swear  
You should get a real one, man  
What's your fuckin problem?  
I never said, I thought you were stupid  
He ain't got nuthin' on there  
Can one of y'all spare twenty cents  
I have, I don't even have twenty cents  
I don't even have  
If I had twenty cents a dollar like you  
I'd spend the last one  
This guy's got twenty cents, I'd bet you  
My wallet's inside  
Yeah, right, c'mon  
Yeah, c'mon, you got money  
Yeah, you got cash  
Yeah, we know you got money, man  
Actually, I think I have a buck  
Give her the fuckin' quarter  
We checked you out, we know you}  
{Reggae  
Reggae?  
Oh, reggae}  
{I'm not too into reggae  
C'mon down  
One more time  
C'mon down, c'mon down  
Yeah  
Go down and see your baby now  
No  
We love you, yeah  
When I, when I, when I heard the verdict the first time  
I was sitting there  
Yeah  
Fuck  
Can't go in there  
Fuck  
I know he wasn't  
I immediately gave him all my money  
Fuck

I know he wasn't  
I got another friend  
They beat the shit out of him for no reason  
You can stay here  
Hey man  
On that one  
You got a good samaritan here  
The mother-fuckers knocked on the door  
And arrested him for being drunk in public  
What's goin' on?  
I'm gonna break down the  
He's really, he's a uh, in a mental hospital  
And that thing really doesn't work  
You should get a real one, man  
What's your fuckin' problem?}  
{Got a night down  
Yah  
Little guy  
Who's this guy?  
That's Opie  
That's Opie  
Opie is our master  
Who's this guy?  
That's Opie  
Who's this guy?  
That's opie  
Opie  
And Opie is our master  
I am the master  
He's so smart  
He's the smartest guy we know  
He created this  
Master of what?  
Master of the mother fucker  
Wait, I have one  
Try that  
He usually doesn't speak too much  
Like, every two weeks  
He speaks in tongues  
Oh, in tounges  
He only speaks every two weeks  
Hey, y'all meet Raleigh?  
Hey, this guy speaks in tongues }
