Taylor Swift

I remember your barefeet down the hallway
I remember your little laugh
Race cars on the kitchen floor, plastic dinosaurs
I love you to the moon and back

I remember your blue eyes
Looking into mine
Like we had our own secret club
I remember you dancing before bedtime
Then jumping on me waking me up
I can still feel you hold my hand
Little man, and even the moment I knew
You fought it hard like an army guy

Remember I leaned in and whispered to you
Come on baby with me, weÂ’re gonna fly away from here
You were my best four years

I remember the drive home when the blind hope
Turned to crying and screaming why
Flowers pile up in the worst way
No one knows what to say about a beautiful boy who died
And itÂ’s about to be Halloween you could be anything
You wanted if you were still here
I remember the last day when I kissed your face and whispered in your ear

Come on baby with me, weÂ’re gonna fly away from here
Out of this curtained room and this hospital gray will just disappear
Come on baby with me, weÂ’re gonna fly away from here
You were my best four years

What if IÂ’m standing in your closet trying to talk to you?
What if I kept the hand-me-downs you wonÂ’t grow into?
And what if I really thought some miracle would see us through?
What if the miracle was even getting one moment with you?

Come on baby with me, weÂ’re gonna fly away from here
Come on baby with me, weÂ’re gonna fly away from here
You were my best four years

I remember your barefeet down the hallway
I love you to the moon and back
