Taylor Swift

I remember your barefeet down the hallway
I remember your little laugh
Race cars on the kitchen floor, plastic dinosaurs
I love you to the moon and back

I remember your blue eyes
Looking into mine
Like we had our own secret club
I remember you dancing before bedtime
Then jumping on me waking me up
I can still feel you hold my hand
Little man, and even the moment I knew
You fought it hard like an army guy

Remember I leaned in and whispered to you
Come on baby with me, weâ€™re gonna fly away from here
You were my best four years

I remember the drive home when the blind hope
Turned to crying and screaming why
Flowers pile up in the worst way
No one knows what to say about a beautiful boy who died
And itâ€™s about to be Halloween you could be anything
You wanted if you were still here
I remember the last day when I kissed your face and whispered in your ear

Come on baby with me, weâ€™re gonna fly away from here
Out of this curtained room and this hospital gray will just disappear
Come on baby with me, weâ€™re gonna fly away from here
You were my best four years

What if Iâ€™m standing in your closet trying to talk to you?
What if I kept the hand-me-downs you wonâ€™t grow into?
And what if I really thought some miracle would see us through?
What if the miracle was even getting one moment with you?

Come on baby with me, weâ€™re gonna fly away from here
Come on baby with me, weâ€™re gonna fly away from here
You were my best four years

I remember your barefeet down the hallway
I love you to the moon and back
