

Think of Me

Buck Owens

Think of me when you're lonely, think of me when you're blue
Think of me when you're far away, for I'll be thinkin' of you
Remember all the good times we shared in days
gone by
Remember all the sadness the day you said goodbye
Think of me when you're lonely
You said that you were leavin' but you wouldn't be gone for long
With each new day I hope and pray that you'll come a travelin' home
Think of me when you're lonely
I watch the mailman coming, I listen for the phone
I meet the trains at the station but I spend my nights alone
But now the waitin' is over and time has set the scene
Yes, God made me for only you and he meant you for me
Think of me when you're lonely for I'll be thinkin' of you
