

Louisiana Blues

Muddy Waters

I'm goin' down in Louisiana
Baby, behind the sun
I'm goin' down in Louisiana
Honey, behind the sun
Well, you know I just found out
My trouble just begun I'm goin' down in New Orleans, hmm
Get me a mojo hand
I'm goin' down in New Orleans
Get me a mojo hand (oh take me with you, man, when you go) I'm gon' show all you good-lookin' women
Jes' how to treat your love Let's go back to New Orleans, boys
