

Sodom And Gomorra

Accept

Ever since the stone-age
Man's been on the hunt
We were born to kill

Fighting for survival
All in self-defense
It was do or die

Now we're living in jungles
The concrete age
A maximum overdose
Of pleasure and pain

Self-inflicted
Life corrupting
Antisocial - controversial
Living in sin

Sodom and Gomorra
Let me tell you what I see
Sodom and Gomorra

Got not law and order
Ruled by anarchy
It's here to stay

Chaos in the classroom
Kids are killing kids
Getting outta hand

Mothers and fathers
The sickening ones
Raping the children
At the end of a gun

Self-inflicted life corrupting
Antisocial controversial
Living in sin

Sodom and Gomorra

Let me tell you what I see
Sodom and Gomorra
We're in a burning hell
For all eternity

Sodom and Gomorra
You mustn't look back
To Sodom and Gomorra
Don't you look back
To the essence of evil

This universe of hatred
Aggression is the force
Heading for oblivion
We're on collision-course

Evolution's over
The devil has prevailed
Heaven screams for vengeance
This is judgment day

Self-inflicted life corrupting
Antisocial controversial
Living in sin

Sodom and Gomorra
Let me tell you what I see
Sodom and Gomorra
Forever ruled by anarchy

Sodom and Gomorra
Forever damned to purgatory
Sodom and Gomorra
