

# Can't Do It Alone

Debbie Gibson

VERSE1:

You know I'm not one to complain  
But it's not how it used to be  
It's not like anyone is to blame  
But you can at least look at me  
Hardships come and go  
This I know, this I know

CHORUS:

But I've got all the time in the world  
All the things you require  
All the strength to survive  
All the pain and desire  
But there's more than just one  
In a happy home  
If you want it to work  
I can't do it alone

VERSE2:

I know that you're under a strain  
You, me, and the rest of the world  
The sunrise and the evening rain

I would risk it all  
Fairy tales are nice  
But it takes work to bring them to life

CHORUS

Fairy tales are nice  
But it takes work to bring them to life

CHORUS

CHORUS:

I've got all the time in the world  
All the things you require  
All the strength to survive  
All the pain and desire  
But there's more than just one  
In a happy home  
If you want it to work  
I can't do it alone  
I can't do it alone
