So She Dances

Å‚Ä›Å‚Â¸Å»Â¬Ä„Å»Z Josh Groban

A waltz when she walks in the room
She pulls back the hair from her face
She turns to the window
To sway in the moonlight
Even her shadow has grace
A waltz for the girl out of reach
She lifts her hands up to the sky
She moves with the music
The song is her lover
The melody's making her cry
So she dances
In and out of the crowd like a glance
This romance is from a-far
Calling me silently
A waltz for the chance I should take
But how will I know where to start?
She's spinning between
Constellations and dreams
Her rhythm is my beating heart
So she dances
In and out of the crowd like a glance
This romance is from a-far
Calling me silently
I can't keep on watching forever
I give up this view just to tell her
When I close my eyes, I can see
The spotlights are bright on you and me
We've got the floor
And you're in my arms
How could I ask for more?
So she dances
In and out of the crowd like a glance
This romance is from a-far
Calling me silently
I can't keep on watching forever
And I'm giving up this view just to tell her
